

MCLS 2017

2nd Molecular, Cellular, and Life Sciences 2017:
Structural Biology, Bio-molecular modeling,
Bio-molecular dynamics with applications in biotechnology & medicine
July 17-18th 2017

Wyndham Hotel, Surabaya - East Java, Indonesia

It is our pleasure to announce the 2nd MCLS Conference 2017; A joint conference organized by Universitas Airlangga and Institute for Protein Research, Osaka University and also supported by the Protein Crystallography Group, University of Groningen.

Keynote Speaker

dr. Bambang Wibowo, Sp. OG(K), MARS
Dirjen YanKes, Ministry of Health, Republic of Indonesia
Dr. Jihane F. Tawilah
WHO Representative, Jakarta
Raymond R. Tjandrawinata, Ph.D.
Director of Innovation and Scientific Development
Dexa Medica
Prof. Atsushi Nakagawa, Ph.D.
Laboratory of Supramolecular Crystallography, Institute for Protein Research Osaka University – Japan

Plenary lecturers

Prof. Hak Hotta, MD., Ph.D.
Department of Oral Vaccines & Drug Development; Graduate School of Health Sciences; Professor Emeritus Kobe University
Prof. Art E. Cho, Ph.D.
Department of Bioinformatics, Director Sejong Institute of International Affairs & Education
Korean University
Dr. Laksmi Wulandari, dr., Sp.P(K)
Faculty of Medicine – Department of Pulmonology; Influenza Study Group - Institute of Tropical Disease Universitas Airlangga.
Prof. Dr. Bauke W. Dijkstra
Emeritus Professor, Laboratory of Biophysical Chemistry, University of Groningen, The Netherlands.

Prof. Shih-Che Sue, Ph.D.
Institute of Bioinformatics and Structural Biology, The Department of Life Sciences, National Tsing Hua University, Hsinchu – Taiwan
Dr. Andy Mark W.H. Thunnissen
Protein Crystallography, Laboratory of Biophysical Chemistry, GBB Institute, University of Groningen – The Netherlands
Prof. Yasuo Suzuki, Ph.D.
Visiting Professor – College of Life & Health Sciences, Chubu University; Professor emeritus, University of Shizuoka, School of Pharmaceutical Sciences
Dr. Hideaki Tanaka
Laboratory of Protein Crystallography, Institute for Protein Research, Osaka University-Japan
Dr. Youhei Miyanoiri
Laboratory Advanced Protein Characterization, Institute for Protein Research, Osaka University-Japan
Prof. Dr. Ni Nyoman Tri Puspaningsih
Departementt of Chemistry, Faculty of Science & Technology; Laboratorium of Proteomics, Institute of Tropical Disease, Universitas Airlangga-Indonesia.
Guntur Fibriansah, Ph.D.
Senior Research Fellow, DukeNUS Medical School, Singapore
Muhammad Miftahussurur, MD., Ph.D.
H. Pylori Study Group Institute of Tropical Disease Universitas Airlangga; Dr. Sutomo Teaching Hospital – Gastroentero Hepatology Division Internal Medicine Department.

CALL FOR PAPERS

Scientists, researchers, professionals, students, or biotechnology and medical practitioners are invited to present (orally or by poster) the recent research achievements in an international atmosphere.

Selected papers will be published in a SCOPUS – indexed journal.

Important dates

- ❖ Abstract submission : 16 June 2017
- ❖ Full paper submission : 31 July 2017
