

2023 Application form for the Research Proposal
for the Microcrystal Electron Diffraction (MicroED)
(Institute for Protein Research, Osaka University)

Applicant Family Name: First Name: Middle name:					Date (Month/Day/Year)	
Position:						
Signature						
Affiliation						
Address						
Tel.		Fax.		E-mail		
Title of the Experiment						
M e m b e r s	Name	Date of Birth	Affiliation	Position	E-mail	
	(including the applicant)	Gender				
Abstract (Describe the significance, purpose, features and expected results of the proposed research, including the reason why this MicroED measurement is needed for your research)						
Name of samples, Hazards, Safety measures				Requested Machine time (date etc.)		
Deposition of obtained diffraction data/coordinates to the public archives YES or NO (reason why if selected "NO")						
A Director of affiliated Institution permits the applicant to apply for the beamtime proposal						
Name: Signature			Title:		Date:
